## About SQAC

The apex Quality Assurance Agency of the country, NAAC has practiced the philosophy of being an 'enabling organization', to achieve the desired quality consciousness for global competence among Higher Education Institutions (HEIs), through a three-tier quality sustenance activity.

State Quality Assurance Cell is considered significant for spreading the awareness and monitoring quality as well as achieving the desired NAAC Assessment and Accreditation of Government First Grade Colleges/Aided Colleges in Karnataka with an organized and phased manner.

SQAC is a cell monitored by the Commissioner of Collegiate Education. The SQAC will guide and coordinate the work of IQAC of Colleges to achieve the desired quality in higher education and also to obtain good grades in the NAAC A&A process. The role of SQAC starts with the allocation of funds to colleges for annual IQAC activities and the NAAC A&A process, monitoring the functions of IQACs, assisting in the documentation of IQAC as per the NAAC requirements at the college level. SQAC will also coordinate with NAAC to assist the colleges with the required information and necessary process.
