**Subject: Bringing UG courses in Management & Computer Applications under AICTE Regulations**

Respected Madam/Sir,

As you are aware, "Technical Education" and its related aspects are controlled and governed by the All India Council for Technical Education Act, 1987. Section 2(g) of the AICTE Act defines Technical Education:

*"Technical Education" means Programmes of education, Research and Training in Engineering Technology, Architecture, Town Planning, Management, Pharmacy and Applied Arts and Crafts and such other Programme (or) areas as the Central Government may, in consultation with the Council, by notification in the Official Gazette*

Till date, the AICTE was regulating only the Post Graduate Programs in Management (MBA) and Computer Applications (MCA). However, from next academic year, AICTE has decided to regulate institutions offering BBA, BMS & BCA courses in view of maintaining uniform quality & academic standards across Management and Computer Applications Programs on the similar lines of Post Graduate Courses/Programmes (MCA/MBA).

As informed by the AICTE, approved Institutes have benefits like, Faculty Development Programs, Scholarship Schemes for students, Model Curriculum, Free access E-Books in Indian Languages through e-Kumbh Portal, Margdarshan Scheme for Institutions, PARAKH - Performance Analysis and Review for Holistic Development, etc.

The State Public Universities are requested to communicate the above information to all its affiliated institutions which are offering or intend to offer programmes/courses in BBA, BMS & BCA, for compliance.

AICTE may be contacted for further details.

With kind regards,

Yours sincerely,

  
(Manish Joshi)
